Dear Policyholder

Your Financial Adviser: «AgentName»**

Notification regarding the underlying fund of P48 Barings Eastern Europe Side-Pocket (USD) (the “Affected Mirror Fund”)

We are writing to you as your policy holds units in the Friends Provident International Limited (“FPIL”) Affected Mirror Fund named above. We have received notification from the board of directors (the “Directors”) of Baring International Fund Managers (Ireland) Limited (the “Underlying Fund Manager”) regarding a distribution from the underlying fund of the Affected Mirror Fund (the “Underlying Fund”).

Background

The Underlying Fund has been suspended since 1 March 2022, following Russia’s invasion of Ukraine and the subsequent imposition of international sanctions on Russian companies and individuals. **As we advised in our notification of 2 March 2022, your units in the Affected Mirror Fund were therefore also suspended.**

Our further communication in June 2023 advised that with effect from 21 July 2023, the Underlying Fund undertook a side-pocket transaction (the “Transaction”) whereby the liquid assets held at that time were transferred into a new fund, *Barings Eastern Europe Fund* (the “New Underlying Fund”). In addition, the Underlying Fund was renamed as *Barings Eastern Europe Side-Pocket Fund* retaining only the illiquid assets (the “Impacted Assets”); namely assets that are directly and/or indirectly impacted by the Russian invasion into Ukraine and/or impacted by sanctions that have been imposed as a result of Russia’s invasion of Ukraine and have become illiquid or untradeable and/or are difficult to value accurately.

In line with the Transaction, the Affected Mirror Fund was renamed to its present name, *P48 Barings Eastern Europe Side-Pocket (USD)*, and a new FPIL mirror fund **L100 Barings Eastern Europe (USD)** (the “New Mirror Fund”) was created, linked to the New Underlying Fund. Policyholders received an allocation of units in the New Mirror Fund, equivalent to their holding in the Affected Mirror Fund as of 21 July 2023, on a 1:1 basis. The New Mirror Fund was open to subscriptions, switching in, switching out and surrender from 24 July 2023.

The Underlying Fund ceased operations on the first business day after the Transaction, subject to the remaining Impacted Assets being realised when possible, with any surplus assets remaining after the discharge of outstanding liabilities being distributed to unitholders of the Underlying Fund.

Distribution from the Underlying Fund to policyholders of the Affected Mirror Fund

The investment manager of the Underlying Fund, Baring Asset Management Limited (the “Underlying Fund Investment Manager”), determined that certain assets of the Underlying Fund became capable of being valued and realised, taking into account the best interests of the unitholders, and these assets have been sold.

The proceeds of this sale, net of the transaction costs incurred by the Underlying Fund, have been made as a distribution payment of capital from the Underlying Fund (the “Distribution”).

Following receipt by FPIL of the Distribution, we have calculated the amount to be allocated to your policy or contract on a pro-rata basis, proportionate to your unit holding in the Affected Mirror Fund.

This allocation has been applied to your policy by way of a unit allocation with effect 25 February 2026 (the “Mirror Fund Distribution Date”). Because the Underlying Fund remains suspended to redemption and switch-out requests, the Affected Mirror Fund also continues to be suspended and zero priced. The unit allocation has therefore been applied **J42 JPM USD Money Market VNAV** (the “Default Replacement Mirror Fund”). Please refer to the enclosed **Appendix** for information regarding the Default Replacement Mirror Fund.

Where a policy already holds the maximum permissible 10 investment-linked funds, the units have instead been allocated to the mirror fund held on the policy with the highest value as of the Mirror Fund Distribution Date.

Whilst appropriate due diligence has been carried out on the Default Replacement Mirror Fund, we do not accept any liability for the future performance of this, or any other FPIL fund. This allocation has happened automatically within your policy or contract and you do not need to take any action.

You are free to switch your existing tradeable investments, including the newly allocated units, at any time, without charge, to other mirror fund(s) available under your policy. This can be done online through the FPI Portal; simply log in at <https://portal.fpinternational.com>.

Future of the Underlying Fund and impact on the Affected Mirror Fund

Due to the ongoing Ukraine conflict and the sanctions remaining in place, a number of Impacted Assets remain within the Underlying Fund. These will continue to be held until such time as the sanctions are lifted and/or the Underlying Fund Investment Manager determines it is possible to value and dispose of the assets, taking into account the best interests of unitholders.

The Underlying Fund Investment Manager will seek to dispose of these assets at the next suitable opportunity, following which the Underlying Fund Manager intends to return the net proceeds to unitholders, whether by further interim distributions or otherwise, until such time as all remaining assets have been sold. FPIL will contact affected policyholders with further information as and when the Underlying Fund Manager provides such updates.

The notional units of the Affected Mirror Fund that you hold will remain unchanged and are expected to remain unchanged until further notice. The Affected Mirror Fund will continue to be valued at zero and suspended to redemption and switch-out requests.

We recommend that you seek the advice of your usual financial adviser before making any investment decisions.
