Dear Policyholder

Closure of the FPIL L26 Alquity Africa fund (the “Closing Mirror Fund”)

We are writing to you as your policy or contract holds units in the Friends Provident International Limited (“FPIL”) fund named above.

Due to the small size and lack of demand from FPIL policyholders, FPIL has made the decision to close **L26 Alquity Africa** (the “Closing Mirror Fund”) in which you are currently invested and/or into which you are making ongoing contributions. The Closing Mirror Fund will be removed from the FPIL fund range from **30 August 2022** (the “Closure Date”).

When an FPIL fund is closed, we select another fund from our internal fund range (the “Default Mirror Fund”) to act as an alternative investment for the resulting proceeds being switched out of the Closing Mirror Fund. Your existing holdings in the Closing Mirror Fund will be automatically redirected into the Default Mirror Fund on **26 August 2022** (the “Switch Date”).

The Default Mirror Fund we have selected from the available fund range is **J42 JPM USD Money Market VNAV**, which is a Currency/Money Market fund. You should be aware that this mirror fund has a very different risk/reward profile to the Closing Mirror Fund. Details of the Closing Mirror Fund and the Default Mirror Fund are set out in the Appendix at the end of this letter. Please refer to the Appendix for further information.

Where applicable any future regular premium or contributions into the Closing Mirror Fund will also be redirected into the Default Mirror Fund from the Switch Date.

From the Switch Date, no new single or regular contributions will be permitted into the Closing Mirror Fund, whether from new or existing investors. From the date of this letter, only continuing regular contributions will be permitted into the Closing Mirror Fund until the Closure Date. These ongoing contributions into the Closing Mirror Fund may not be increased from their current level.

Your options

These changes will happen automatically within your policy or contract and you do not need to take any action if you agree with the choice of Default Mirror Fund that we have selected.

However, should you prefer, you can choose to switch your current holdings and/or redirect your regular premiums or contributions, into a different fund in the FPIL range. You can do this at any time, but if you wish to override the transfer or redirection to the Default Mirror Fund that we have selected, you must provide us with alternative instructions by 3pm UK time on **24 August 2022**.

No FPIL charges will arise from these transactions.

Factsheets for the available FPIL mirror funds can be found via our interactive Fund Centre research tool on our website www.fpinternational.com/fundcentre. Full details on the underlying funds of the mirror funds can be found in the fund prospectus, which is available on request.

We recommend that you seek the advice of your usual investment adviser before making any investment decisions.

Please note that you can always switch your funds or redirect future premiums online through the FPI Portal, without charge. Simply login at <https://portal.fpinternational.com>. It is a simple, convenient and secure way to manage your policy.
